

17<sup>th</sup> July 2020

Dear Parents,

We have been working hard to find a way that we can still offer Breakfast Club provision under the new government guidelines for schools, as we recognise how essential this service is to many of our families.

We are pleased to say that we will be able to provide breakfast club but we have had to make some changes in order for it to be able to go ahead.

**For KS1 Breakfast Club** - We will need all children to arrive in the playground at **8am promptly** where they will be met by staff and taken inside through the conservatory door.

**For KS2 Breakfast Club** - We will need all children to be dropped off at the gate to the bottom playground **between at 8 and 8.10am** (allowing time for those who have children at both sites to drop off) where they will be met by staff and taken inside to their group's room.

Whilst we have usually been able to offer a more flexible approach to drop off, under the new restrictions this is not possible.

The children will be separated into their year groups to reduce contact and will be encouraged to socially distance. Whilst, we usually offer a range of activities to keep the children engaged during their time in breakfast club, we will have to keep these activities to desk based projects such as colouring or watching age appropriate programmes. We will still be able to provide the children with toast, cereal, and juice.

Breakfast Club will begin on Tuesday 8th September. Those children who are going to be in Year 3 will be attending at the KS1 site for the first week as part of our transition plans.

Thank you for your continued support and cooperation.

Helen Crowther

Principal
