Home Reading

Dear Parents / Guardians,

We would like to update you on how we will carry out home reading for the foreseeable future as we continue to do all we can to help keep everybody safe at this time.

Once your child has had chance to settle into their new class, they will bring home a reading book. Your child's class teacher will inform you what day your child will be changing their book. It is important that books are returned to school on this day to allow us to put returned books into quarantine before they can be used again.

Usually, along with a reading book, we would send home a Reading Record that we would encourage you to comment in when you have listened to your child read at home. At this time, we will not be sending a Reading Record home. Instead, teachers will now add a note onto Seesaw regarding your child's reading. Once you have read with your child at home, you can then add a comment below, if you wish.

If you have any questions, please contact your class teacher.
Thank you for your continued support.
