Dear Parent/Carer,

Autumn Term School Meal

With the cooler weather and darker nights drawing in, we are eager to get back to providing children with hot school meals. We have been working with our school catering team to establish the best arrangements possible to do this, whilst continuing to abide by the current health and safety guidelines, keeping children and staff safe at school.

I'm sure that you will appreciate the logistics involved both for the catering team and the school staff have not been easy but we have managed to create a two week cycle of a reduced, hot meal menu, which will come into effect after half term, on Tuesday 3rd November. As the government guidelines change and our current situation develops, we hope to add more choices to this menu, but for the time being we are pleased that we are able to offer this option.

Please follow the link below to our booking site, where you will be able to choose your school meals. In order to ensure your child's selection will be ready for them after the half term, we need this completed by **Friday 9th October**. This gives our kitchens time to compile and make their order. If you wish your child to bring a packed lunch from home on any day, please remember that this must be on the same day for both weeks.

The cost of a school meal is £2.20 per meal for KS2 pupils. Payment is required in advance and can be made on-line by visiting **ParentPay**. School meals for KS1 are currently fully funded by the government.

If you have any queries, please call into either school office.

Kind Regards
