reaching great heights

29 September 2020

Dear parents, carers, and other family members,

Firstly, thank you for all of your support so far with your understanding towards PE lessons and their COVID restrictions. It is a strange time for all but we are adapting well as a school.

As we are now approaching the colder and wetter months, we would like to update you with a change that will be coming into place.

This week, we will be moving our PE lessons to timetabled slots in the halls at both KS1 and KS2 when the weather is too wet to be outside. We are only able to do this for one weekly slot per class as we need to clean down the hall completely between bubbles. We will still have PE outside whenever the weather permits.

Thank you for your continued support.

The PE Team.
