

F O G S F A Q S

Q. What is FOGS?

A. FOGS is the Greetland Academy PTA.

Q. What does FOGS do?

A. FOGS regularly engages in the following activities:
School Fairs; Providing refreshments at concerts and open day events; Bags2School

Q. Can I get involved?

A. YES - contact either the school office, e-mail FOGS@greetlandacademy.org.uk or visit our facebook page Friends of Greetland School.

Q. I'd like to get involved but don't have the time.

A. Being involved in FOGS won't take up too much of your time. Typically parents only have to spend a few hours in the year organizing events etc. All members and officers of FOGS work voluntarily and have other commitments. Come and talk to us to get a better understanding of what is involved.

Q. Will being involved in FOGS help my child?

A. Yes it will. Being part of FOGS is not just about your child, but all the children in our school. FOGS allows parents to enrich the education of the children in a variety of ways. But not just the kids – it is always a great point on your own CV! One of our long standing members is sure that her involvement in FOGS over the years helped her get her most recent job! Come and talk to us today to understand more about what we do.

Q. I'm not sure I have any skills that will help FOGS.

A. That doesn't matter. We have such a diverse group of parents that can bring a whole range of skills, from being creative, to helping on event days to organizing fund raisers. Come and talk to us today to find out how you can help.

Q. I've heard that FOGS members all know each other and I'm not sure I'll fit in.

A. Each year, we welcome new parents to FOGS and of course there are parents who have been working with us for many years. We are all in the same boat and want to see our little ones have a wonderful experience whilst at Greetland Academy. With that in mind, we are open, friendly and more importantly, NEED YOU!

Please get in touch with us and join us today...you won't look back!
