Total PE and Sport Premium expenditure:

Funding for the PE and sport premium grant:

Schools receive PE and sport premium funding based on the number of pupils in years 1 - 6. The DfE determine how many pupils attract the funding using data from the January 2018 school census. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. In the January 2018 census, the Greetland Academy had 361 eligible pupils

Based on Jan 18 Census: £16,000 + (361 x £10) = £19610

The Education Funding Agency (EFA) sends academies their PE and sport premium funding in 2 separate payments:

7/12 of your funding allocation on 1 November 2018:

5/12 of your funding allocation on 1 May 2018:

Carried forward from last year: £7000

Specialist Sports Coaching – Provision Overview:

The Greetland Academy will use the PE and sport premium grant to develop and add to the PE and sport activities the academy has to offer and make investments and improvements now that will benefit pupils joining the school in future years. We will seek to utilise specialist, reputable and experienced coaches and specialists to work alongside teachers during curriculum delivery to provide staff with training and resources to help teach PE and sport more effectively. All coaches used will have the appropriate level of qualification and all relevant safeguarding authorisations.

Curriculum:

All providers that are commissioned to work at The Greetland Academy will be inducted by the PE coordinator: Staff Handbooks and Code of Conducts will be shared before any coaching begins. The National Curriculum will be followed in order to ensure future teaching of specialist areas can be continued in future years. Sessions will be conducted from the direction of the class teacher, linked to the progression of skills outlined in The Greetland Academy curriculum and written by the PE coordinator.
