

PSHCE – The Greetland Academy Core Curriculum

Purpose of study: To provide opportunities to support pupils’ spiritual, moral, cultural, mental and physical development and prepare them for the opportunities, responsibilities and experiences of life in modern day Britain.

Year Group Progression	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
	<i>Teaching & Learning will cover the knowledge & understanding within the teaching of PSHCE and British Values</i>					
<p>Concepts (Themes) *interwoven throughout the enquiry questions in each year group.</p> <p>Core Theme 1: Health and Wellbeing</p> <p>Core Theme 2: Relationships</p> <p>Core Theme 3: Living in the Wider World</p> <p>The knowledge, skills and understanding in the sections below should be taught through the following enquiry questions:</p>	<p>What is the same and different about us?</p> <p>Who is special to us?</p> <p>What helps us stay healthy?</p> <p>What can we do with money?</p> <p>Who helps to keep us safe?</p> <p>How can we look after each other and the world?</p>	<p>What makes a good friend?</p> <p>What is bullying?</p> <p>What jobs do people do? What helps us to stay safe?</p> <p>What helps us grow and stay healthy?</p> <p>How do we recognise our feelings?</p>	<p>How can we be a good friend?</p> <p>What keeps us safe?</p> <p>What are families like? What makes a community?</p> <p>Why should we eat well and look after our teeth? Why should we keep active and sleep well?</p>	<p>What strengths, skills and interests do we have?</p> <p>How do we treat each other with respect?</p> <p>How can we manage our feelings?</p> <p>How will we grow and change?</p> <p>How can our choices make a difference to others and the environment?</p> <p>How can we manage risk in different places?</p>	<p>What makes up a person’s identity?</p> <p>What decisions can people make with money?</p> <p>How can we help in an accident or emergency?</p> <p>How can friends communicate safely?</p> <p>How can drugs common to everyday life affect health?</p> <p>What jobs would we like?</p>	<p>How can we keep healthy as we grow?</p> <p>How can the media influence people?</p> <p>What will change as we become more independent?</p> <p>How do friendships change as we grow?</p>
<i>Concepts to be addressed through the knowledge, skills and understanding connected to the specific concepts of self-awareness and self-valuing, managing feelings, motivation and learning behaviours, empathy and social skills.</i>						
<p>CORE THEME 1: HEALTH AND WELLBEING</p> <p>This core theme focuses on:</p> <ol style="list-style-type: none"> 1. Healthy lifestyles (physical wellbeing) 2. Mental health 3. Ourselves, growing and changing 4. Keeping safe 5. Drugs, alcohol and tobacco 		<p>CORE THEME 2: RELATIONSHIPS</p> <p>This core theme focuses on:</p> <ol style="list-style-type: none"> 1. Families and close, positive relationships 2. Friendships 3. Managing hurtful behaviour and bullying 4. Safe relationships 5. Respecting self and others 		<p>CORE THEME 3: LIVING IN THE WIDER WORLD (ECONOMIC WELLBEING AND BEING A RESPONSIBLE CITIZEN)</p> <p>This core theme focuses on:</p> <ol style="list-style-type: none"> 1. Shared responsibilities 2. Communities 3. Media literacy and digital resilience 4. Economic wellbeing: Money 5. Economic wellbeing: Aspirations, work and careers 		

PSHCE – The Greetland Academy Core Curriculum

Purpose of study: To provide opportunities to support pupils’ spiritual, moral, cultural, mental and physical development and prepare them for the opportunities, responsibilities and experiences of life in modern day Britain.

Long-Term Overview

Year 1	What is the same and different about us?	Who is special to us?	What helps us stay healthy?	What can we do with money?	Who helps to keep us safe?	How can we look after each other and the world?
Year 2	What makes a good friend?	What is bullying?	What jobs do people do?	What helps us to stay safe?	What helps us grow and stay healthy?	How do we recognise our feelings?
Year 3	How can we be a good friend?	What keeps us safe?	What are families like?	What makes a community?	Why should we eat well and look after our teeth?	Why should we keep active and sleep well?
Year 4	What strengths, skills and interests do we have?	How do we treat each other with respect?	How can we manage our feelings?	How will we grow and change?	How can our choices make a difference to others and the environment?	How can we manage risk in different places?
Year 5	What makes up a person’s identity?	What decisions can people make with money?	How can we help in an accident or emergency?	How can friends communicate safely?	How can drugs common to everyday life affect health?	What jobs would we like?
Year 6	How can we keep healthy as we grow?		How can the media influence people?		What will change as we become more independent? How do friendships change as we grow?	

PSHCE – The Greetland Academy Core Curriculum

Purpose of study: To provide opportunities to support pupils’ spiritual, moral, cultural, mental and physical development and prepare them for the opportunities, responsibilities and experiences of life in modern day Britain.

Year Group Progression	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Health and Wellbeing	<p>Pupils should have the opportunity to learn:</p> <p>H1. about what keeping healthy means; different ways to keep healthy</p> <p>H2. about foods that support good health and the risks of eating too much sugar</p> <p>H3. about how physical activity helps us to stay healthy; and ways to be physically active everyday</p> <p>H4. about why sleep is important and different ways to rest and relax</p> <p>H5. simple hygiene routines that can stop germs from spreading</p> <p>H6. that medicines (including vaccinations and immunisations and those that support allergic reactions) can help people to stay healthy</p> <p>H7. about dental care and visiting the dentist; how to brush teeth correctly; food and drink that support dental health</p> <p>H8. how to keep safe in the sun and protect skin from sun damage</p> <p>H9. about different ways to learn and play; recognising the importance of knowing when to take a break from time online or TV</p> <p>H10. about the people who help us to stay physically healthy</p>		<p>Building on Key Stage 1, pupils should have the opportunity to learn:</p> <p>H1. how to make informed decisions about health</p> <p>H2. about the elements of a balanced, healthy lifestyle</p> <p>H3. about choices that support a healthy lifestyle, and recognise what might influence these</p> <p>H4. how to recognise that habits can have both positive and negative effects on a healthy lifestyle</p> <p>H5. about what good physical health means; how to recognise early signs of physical illness</p> <p>H6. about what constitutes a healthy diet; how to plan healthy meals; benefits to health and wellbeing of eating nutritionally rich foods; risks associated with not eating a healthy diet including obesity and tooth decay.</p> <p>H7. how regular (daily/weekly) exercise benefits mental and physical health (e.g. walking or cycling to school, daily active mile); recognise opportunities to be physically active and some of the risks associated with an inactive lifestyle</p> <p>H8. about how sleep contributes to a healthy lifestyle; routines that support good quality sleep; the effects of lack of sleep on the body, feelings, behaviour and ability to learn</p> <p>H9. that bacteria and viruses can affect health; how everyday hygiene routines can limit the spread of infection; the wider importance of personal hygiene and how to maintain it</p> <p>H10. how medicines, when used responsibly, contribute to health; that some diseases can be prevented by vaccinations and immunisations; how allergies can be managed</p> <p>H11. how to maintain good oral hygiene (including correct brushing and flossing); why regular visits to the dentist are essential; the impact of lifestyle choices on dental care (e.g. sugar consumption/acidic drinks such as fruit juices, smoothies and fruit teas; the effects of smoking)</p> <p>H12. about the benefits of sun exposure and risks of overexposure; how to keep safe from sun damage and sun/heat stroke and reduce the risk of skin cancer</p> <p>H13. about the benefits of the internet; the importance of balancing time online with other activities; strategies for managing time online</p> <p>H14. how and when to seek support, including which adults to speak to in and outside school, if they are worried about their health</p>			
Mental Health	<p>H11. about different feelings that humans can experience</p> <p>H12. how to recognise and name different feelings</p> <p>H13. how feelings can affect people’s bodies and how they behave</p> <p>H14. how to recognise what others might be feeling</p> <p>H15. to recognise that not everyone feels the same at the same time, or feels the same about the same things</p> <p>H16. about ways of sharing feelings; a range of words to describe feelings</p> <p>H17. about things that help people feel good (e.g. playing outside, doing things they enjoy, spending time with family, getting enough sleep)</p> <p>H18. different things they can do to manage big feelings, to help calm themselves down and/or change their mood when they don’t feel good</p> <p>H19. to recognise when they need help with feelings; that it is important to ask for help with feelings; and how to ask for it</p> <p>H20. about change and loss (including death); to identify feelings associated with this; to recognise what helps people to feel better</p>		<p>H15. that mental health, just like physical health, is part of daily life; the importance of taking care of mental health</p> <p>H16. about strategies and behaviours that support mental health — including how good quality sleep, physical exercise/time outdoors, being involved in community groups, doing things for others, clubs, and activities, hobbies and spending time with family and friends can support mental health and wellbeing</p> <p>H17. to recognise that feelings can change over time and range in intensity</p> <p>H18. about everyday things that affect feelings and the importance of expressing feelings</p> <p>H19. a varied vocabulary to use when talking about feelings; about how to express feelings in different ways</p> <p>H20. strategies to respond to feelings, including intense or conflicting feelings; how to manage and respond to feelings appropriately and proportionately in different situations</p> <p>H21. to recognise warning signs about mental health and wellbeing and how to seek support for themselves and others</p> <p>H22. to recognise that anyone can experience mental ill health; that most difficulties can be resolved with help and support; and that it is important to discuss feelings with a trusted adult</p> <p>H23. about change and loss, including death, and how these can affect feelings; ways of expressing and managing grief and bereavement</p> <p>H24. problem-solving strategies for dealing with emotions, challenges and change, including the transition to new schools</p>			

PSHCE – The Greetland Academy Core Curriculum

Purpose of study: To provide opportunities to support pupils’ spiritual, moral, cultural, mental and physical development and prepare them for the opportunities, responsibilities and experiences of life in modern day Britain.

Ourselves, growing and changing	<p>H21. to recognise what makes them special H22. to recognise the ways in which we are all unique H23. to identify what they are good at, what they like and dislike H24. how to manage when finding things difficult H25. to name the main parts of the body including external genitalia (e.g. vulva, vagina, penis, testicles) H26. about growing and changing from young to old and how people’s needs change H27. about preparing to move to a new class/year group</p>	<p>H25. about personal identity; what contributes to who we are (e.g. ethnicity, family, gender, faith, culture, hobbies, likes/dislikes) H26. that for some people gender identity does not correspond with their biological sex H27. to recognise their individuality and personal qualities H28. to identify personal strengths, skills, achievements and interests and how these contribute to a sense of self-worth H29. about how to manage setbacks/perceived failures, including how to re-frame unhelpful thinking H30. to identify the external genitalia and internal reproductive organs in males and females and how the process of puberty relates to human reproduction H31. about the physical and emotional changes that happen when approaching and during puberty (including menstruation, key facts about the menstrual cycle and menstrual wellbeing, erections and wet dreams) H32. about how hygiene routines change during the time of puberty, the importance of keeping clean and how to maintain personal hygiene H33. about the processes of reproduction and birth as part of the human life cycle; how babies are conceived and born (and that there are ways to prevent a baby being made); how babies need to be cared for H34. about where to get more information, help and advice about growing and changing, especially about puberty H35. about the new opportunities and responsibilities that increasing independence may bring H36. strategies to manage transitions between classes and key stages</p>
Keeping safe	<p>H28. about rules and age restrictions that keep us safe H29. to recognise risk in simple everyday situations and what action to take to minimise harm H30. about how to keep safe at home (including around electrical appliances) and fire safety (e.g. not playing with matches and lighters) H31. that household products (including medicines) can be harmful if not used correctly H32. ways to keep safe in familiar and unfamiliar environments (e.g. beach, shopping centre, park, swimming pool, on the street) and how to cross the road safely H33. about the people whose job it is to help keep us safe H34. basic rules to keep safe online, including what is meant by personal information and what should be kept private; the importance of telling a trusted adult if they come across something that scares them H35. about what to do if there is an accident and someone is hurt H36. how to get help in an emergency (how to dial 999 and what to say)</p>	<p>H37. reasons for following and complying with regulations and restrictions (including age restrictions); how they promote personal safety and wellbeing with reference to social media, television programmes, films, games and online gaming H38. how to predict, assess and manage risk in different situations H39. about hazards (including fire risks) that may cause harm, injury or risk in the home and what they can do reduce risks and keep safe H40. about the importance of taking medicines correctly and using household products safely, (e.g. following instructions carefully) H41. strategies for keeping safe in the local environment or unfamiliar places (rail, water, road) and firework safety; safe use of digital devices when out and about H42. about the importance of keeping personal information private; strategies for keeping safe online, including how to manage requests for personal information or images of themselves and others; what to do if frightened or worried by something seen or read online and how to report concerns, inappropriate content and contact H43. about what is meant by first aid; basic techniques for dealing with common injuries H44. how to respond and react in an emergency situation; how to identify situations that may require the emergency services; know how to contact them and what to say H45. that female genital mutilation (FGM) is against British law, what to do and whom to tell if they think they or someone they know might be at risk</p>
Drugs, alcohol and tobacco	<p>H37. about things that people can put into their body or on their skin; how these can affect how people feel</p>	<p>H46. about the risks and effects of legal drugs common to everyday life (e.g. cigarettes, e-cigarettes/vaping, alcohol and medicines) and their impact on health; recognise that drug use can become a habit which can be difficult to break H47. to recognise that there are laws surrounding the use of legal drugs and that some drugs are illegal to own, use and give to others H48. about why people choose to use or not use drugs (including nicotine, alcohol and medicines) H49. about the mixed messages in the media about drugs, including alcohol and smoking/vaping H50. about the organisations that can support people concerning alcohol, tobacco and nicotine or other drug use; people they can talk to if they have concerns</p>

PSHCE – The Greetland Academy Core Curriculum

Purpose of study: To provide opportunities to support pupils’ spiritual, moral, cultural, mental and physical development and prepare them for the opportunities, responsibilities and experiences of life in modern day Britain.

<p>Relationships Families and close, positive relationships</p>	<p>R1. about the roles different people (e.g. acquaintances, friends and relatives) play in our lives R2. to identify the people who love and care for them and what they do to help them feel cared for R3. about different types of families including those that may be different to their own R4. to identify common features of family life R5. that it is important to tell someone (such as their teacher) if something about their family makes them unhappy or worried</p>	<p>R1. to recognise that there are different types of relationships (e.g. friendships, family relationships, romantic relationships, online relationships) R2. that people may be attracted to someone emotionally, romantically and sexually; that people may be attracted to someone of the same sex or different sex to them; that gender identity and sexual orientation are different R3. about marriage and civil partnership as a legal declaration of commitment made by two adults who love and care for each other, which is intended to be lifelong R4. that forcing anyone to marry against their will is a crime; that help and support is available to people who are worried about this for themselves or others R5. that people who love and care for each other can be in a committed relationship (e.g. marriage), living together, but may live apart R6. that a feature of positive family life is caring relationships; about the different ways in which people care for one another R7. to recognise and respect that there are different types of family structure (including single parents, same-sex parents, step-parents, blended families, foster parents); that families of all types can give family members love, security and stability R8. to recognise other shared characteristics of healthy family life, including commitment, care, spending time together; being there for each other in times of difficulty R9. how to recognise if family relationships are making them feel unhappy or unsafe, and how to seek help or advice</p>
<p>Friendships</p>	<p>R6. about how people make friends and what makes a good friendship R7. about how to recognise when they or someone else feels lonely and what to do R8. simple strategies to resolve arguments between friends positively R9. how to ask for help if a friendship is making them feel unhappy</p>	<p>R10. about the importance of friendships; strategies for building positive friendships; how positive friendships support wellbeing R11. what constitutes a positive healthy friendship (e.g. mutual respect, trust, truthfulness, loyalty, kindness, generosity, sharing interests and experiences, support with problems and difficulties); that the same principles apply to online friendships as to face-to-face relationships R12. to recognise what it means to ‘know someone online’ and how this differs from knowing someone face-to-face; risks of communicating online with others not known face-to-face R13. the importance of seeking support if feeling lonely or excluded R14. that healthy friendships make people feel included; recognise when others may feel lonely/excluded; strategies for how to include them R15. strategies for recognising and managing peer influence and a desire for peer approval in friendships; to recognise the effect of online actions on others R16. how friendships can change over time, about making new friends and the benefits of having different types of friends R17. that friendships have ups and downs; strategies to resolve disputes and reconcile differences positively and safely R18. to recognise if a friendship (online or offline) is making them feel unsafe or uncomfortable; how to manage this and ask for support if necessary</p>
<p>Managing hurtful behaviour and bullying</p>	<p>R10. that bodies and feelings can be hurt by words and actions; that people can say hurtful things online R11. how people may feel if they experience hurtful behaviour/bullying R12. that hurtful behaviour (offline and online) including teasing, name-calling, bullying and deliberately excluding others is not acceptable; how to report bullying; importance of telling trusted adult R13. to recognise that some things are private and the importance of respecting privacy; that parts of their body covered by underwear are private R14. that sometimes people may behave differently online, including by pretending to be someone they are not R15. how to respond safely to adults they don’t know R16. how to respond if physical contact makes them feel uncomfortable or unsafe R17. about knowing there are situations when they should ask for permission and also when their permission should be sought R18. about the importance of not keeping adults’ secrets (only happy surprises that others will find out about eventually) R19. basic techniques for resisting pressure to do something they don’t want to do and which may make them unsafe R20. what to do if they feel unsafe/worried for themselves or others; who to ask for help and vocabulary to use when asking for help; importance of keeping trying until they are heard</p>	<p>R19. about the impact of bullying, including offline and online, and the consequences of hurtful behaviour R20. strategies to respond to hurtful behaviour experienced or witnessed, offline and online (including teasing, name-calling, bullying, trolling, harassment or the deliberate excluding of others); how to report concerns and get support R21. about discrimination: what it means and how to challenge it R22. about privacy and personal boundaries; what is appropriate in friendships and wider relationships (including online) R23. about why someone may behave differently online, including pretending to be someone they are not; strategies for recognising risks, harmful content and contact; how to report concerns R24. how to respond safely and appropriately to adults they may encounter (in all contexts including online) whom they do not know R25. recognise different types of physical contact; what is acceptable and unacceptable; strategies to respond to unwanted physical contact R26. about seeking and giving permission (consent) in different situations R27. about keeping something confidential or secret, when this should (e.g. a birthday surprise that others will find out about) or should not be agreed to, and when it is right to break a confidence or share a secret R28. how to recognise pressure from others to do something unsafe or that makes them feel uncomfortable and strategies for managing this R29. where to get advice and report concerns if worried about their own or someone else’s personal safety (including online)</p>

PSHCE – The Greetland Academy Core Curriculum

Purpose of study: To provide opportunities to support pupils’ spiritual, moral, cultural, mental and physical development and prepare them for the opportunities, responsibilities and experiences of life in modern day Britain.

<p>Respecting self and others</p>	<p>R21. about what is kind and unkind behaviour, and how this can affect others R22. about how to treat themselves and others with respect; how to be polite and courteous R23. to recognise the ways in which they are the same and different to others R24. how to listen to other people and play and work cooperatively R25. how to talk about and share their opinions on things that matter to them</p>	<p>R30. that personal behaviour can affect other people; to recognise and model respectful behaviour online R31. to recognise the importance of self-respect and how this can affect their thoughts and feelings about themselves; that everyone, including them, should expect to be treated politely and with respect by others (including when online and/or anonymous) in school and in wider society; strategies to improve or support courteous, respectful relationships R32. about respecting the differences and similarities between people and recognising what they have in common with others e.g. physically, in personality or background R33. to listen and respond respectfully to a wide range of people, including those whose traditions, beliefs and lifestyle are different to their own R34. how to discuss and debate topical issues, respect other people’s point of view and constructively challenge those they disagree with</p>
<p>Living in the Wider World Shared responsibilities</p>	<p>L1. about what rules are, why they are needed, and why different rules are needed for different situations L2. how people and other living things have different needs; about the responsibilities of caring for them L3. about things they can do to help look after their environment</p>	<p>L1. to recognise reasons for rules and laws; consequences of not adhering to rules and laws L2. to recognise there are human rights, that are there to protect everyone L3. about the relationship between rights and responsibilities L4. the importance of having compassion towards others; shared responsibilities we all have for caring for other people and living things; how to show care and concern for others L5. ways of carrying out shared responsibilities for protecting the environment in school and at home; how everyday choices can affect the environment (e.g. reducing, reusing, recycling; food choices)</p>
<p>Communities</p>	<p>L4. about the different groups they belong to L5. about the different roles and responsibilities people have in their community L6. to recognise the ways they are the same as, and different to, other people</p>	<p>L6. about the different groups that make up their community; what living in a community means L7. to value the different contributions that people and groups make to the community L8. about diversity: what it means; the benefits of living in a diverse community; about valuing diversity within communities L9. about stereotypes; how they can negatively influence behaviours and attitudes towards others; strategies for challenging stereotypes L10. about prejudice; how to recognise behaviours/actions which discriminate against others; ways of responding to it if witnessed or experienced</p>
<p>Media literacy & digital resilience</p>	<p>L7. about how the internet and digital devices can be used safely to find things out and to communicate with others L8. about the role of the internet in everyday life L9. that not all information seen online is true</p>	<p>L11. Recognise ways in which the internet and social media can be used both positively and negatively L12. how to assess the reliability of sources of information online; and how to make safe, reliable choices from search results L13. about some of the different ways information and data is shared and used online, including for commercial purposes L14. about how information on the internet is ranked, selected and targeted at specific individuals and groups; that connected devices can share information L15. recognise things appropriate to share and things that should not be shared on social media; rules surrounding distribution of images L16. about how text and images in the media and on social media can be manipulated or invented; strategies to evaluate the reliability of sources and identify misinformation</p>
<p>Economic wellbeing: Money</p>	<p>L10. what money is; forms that money comes in; that money comes from different sources L11. that people make different choices about how to save and spend money L12. about the difference between needs and wants; that sometimes people may not always be able to have the things they want L13. that money needs to be looked after; different ways of doing this</p>	<p>L17. about the different ways to pay for things and the choices people have about this L18. to recognise that people have different attitudes towards saving and spending money; what influences people’s decisions; what makes something ‘good value for money’ L19. that people’s spending decisions can affect others and the environment (e.g. Fair trade, buying single-use plastics, or giving to charity) L20. to recognise that people make spending decisions based on priorities, needs and wants L21. different ways to keep track of money L22. about risks associated with money (e.g. money can be won, lost or stolen) and ways of keeping money safe L23. about the risks involved in gambling; different ways money can be won or lost through gambling-related activities and their impact on health, wellbeing and future aspirations L24. to identify the ways that money can impact on people’s feelings and emotions</p>
<p>Economic wellbeing: Aspirations, work and career</p>	<p>L14. that everyone has different strengths L15. that jobs help people to earn money to pay for things L16. different jobs that people they know or people who work in the community do L17. about some of the strengths and interests someone might need to do different jobs</p>	<p>L25. to recognise things about themselves and their achievements; set goals to help achieve personal outcomes L26. that there is a broad range of different jobs/careers that people can have; that people often have more than one career/type of job during their life L27. about stereotypes in the workplace and that a person’s career aspirations should not be limited by them L28. about what might influence people’s decisions about a job or career (e.g. personal interests and values, family connections to certain trades or businesses, strengths and qualities, ways in which stereotypical assumptions can deter people from aspiring to certain jobs) L29. that some jobs are paid more than others and money is one factor which may influence a person’s job or career choice; that people may choose to do voluntary work which is unpaid L30. about some of the skills that will help them in their future careers e.g. teamwork, communication and negotiation L31. to identify the kind of job that they might like to do when they are older L32. to recognise a variety of routes into careers (e.g. college, apprenticeship, university)</p>

PSHCE – The Greetland Academy Core Curriculum

Purpose of study: To provide opportunities to support pupils’ spiritual, moral, cultural, mental and physical development and prepare them for the opportunities, responsibilities and experiences of life in modern day Britain.

<p>British Values</p>	<p>Begin to develop an understanding of Democracy: making decisions together.</p> <p>Begin to develop an understanding of Rule of law: understanding rules matter as cited in Personal Social and Emotional development.</p> <p>Develop an understanding of Individual liberty: Freedom for all.</p> <p>Develop an understanding of Mutual respect and tolerance: treat others as you want to be treated.</p> <p>Develop an understanding of tolerance of those of different faiths and beliefs.</p>	<p>Understand how citizens can influence decision-making through the democratic process.</p> <p>Appreciate that living under the rule of law protects individual citizens and is essential for their wellbeing and safety.</p> <p>Understand the importance of identifying and combatting discrimination.</p>	<p>Understand that the freedom to choose and hold other faiths and beliefs is protected in law.</p> <p>Demonstrate an acceptance that other people having different faiths or beliefs to oneself (or having none) should be accepted and tolerated.</p> <p>Understand the importance of identifying and combatting discrimination.</p> <p>Understand that there is a separation of power between the executive and the judiciary.</p>	<p>Understand how citizens can influence decision-making through the democratic process; greater detail on who can vote, who can't and how politicians are chosen. Link to influences.</p> <p>Appreciate that living under the rule of law protects individual citizens and is essential for their wellbeing and safety and how this is applied. Consider 'No rules'</p> <p>Understand the importance of identifying and combatting discrimination; the consequences of this and how it can impact on people.</p>	<p>Understand that the freedom to choose and hold other faiths and beliefs is protected in law.</p> <p>Demonstrate an acceptance that other people having different faiths or beliefs to oneself (or having none) should be accepted and tolerated, and should not be the cause of prejudicial or discriminatory behaviour.</p> <p>Understand the importance of identifying and combatting discrimination; the consequences of this and how it can impact on people.</p> <p>Understand that there is a separation of power between the executive and the judiciary, and that while some public bodies such as the police and the army can be held to account through Parliament, others such as the courts maintain independence.</p> <p>Identify why courts need to be independent.</p>
