The Senior School Leader is to notify parents about planned visits; to request contributions; to make it clear there is no obligation to contribute; and that children will not be treated differently if their parents do not contribute.

Any request for contributions should not exceed the actual cost of providing the activity divided equally by the number of pupils participating. It must not include an element of subsidy for any other pupils wishing to participate in the activity but whose parents are unwilling or unable to pay the full charge.

Pupils that are registered as Ever6 FSM and for whom the school receives a Pupil Premium grant allocation will not be expected to pay any voluntary contribution. This is reviewed on an annual basis dependent upon the continuation of the Pupil Premium grant and the school's priorities in spending the grant.

In cases of hardship financial assistance may be available.

If sufficient parents do not wish to contribute towards such a planned visit it will be cancelled.
