

Learning Launchpad: Spring 2, 2020-21

Year 6 Miss Whiteley, Mr Price and Mr Collins

Firstly, we would like to thank you all for your amazing support through what has been a difficult term. We are so proud of all the children for their effort and hard work; a particular highlight has been how the children have embraced technology to present their work in so many creative and enjoyable ways. Although we are still unable to speak to you face to face, please remember that you can always contact us via the office and we can contact you to answer any questions or queries.

Key 'learning and doing' + useful links . . .

English: Pig Heart Boy by Malorie Blackman

Writing to Discuss - A balanced argument looking at various viewpoints answering the big question, 'Should Cameron have a heart transplant?'

To Inform - A newspaper report that informs the reader of the young boy's heart transplant. **PSHE link:** Staying healthy.

Maths:

Algebra

Use simple formulae.
Generate and describe linear number sequences.
Express missing number problems algebraically.
Find pairs of numbers that satisfy an equation with two unknowns.
Enumerate possibilities of combinations of two variables.

Measurement

Solve problems involving the calculation and conversion of units of measure, using decimal notation up to three decimal places where appropriate.

Use, read, write and convert between standard units, converting measurements of length, mass, volume and time from a smaller unit of measure to a larger unit, and vice versa, using decimal notation up to three decimal places.

Science: Light

Other subjects:

Art: LGBTQ Art
French: This is me! Playing & enjoying sport
History: Britain changed totally from the Stone Age to 1066 – do you agree?
Music: You've Got A Friend
PE: Outdoor Adventure and Invasion Games
RE: What do Christians believe about the old and new covenants?
PSHE: How can the media influence people?

Key dates and reminders . . .

Key dates:

Monday 22nd February – School reopens

Thursday 1st April – School breaks up for Easter half term

TBC – Parents Evening – to be confirmed once we have a return to full school date

Reminders:

PE Kit: Year 6's PE lessons take place on a Friday afternoon. Can the children please come dressed in their PE kit on a Friday.

Home Project: Each term there will be an optional project for children to complete that is linked to one of the topics being taught in school.

Home Learning: In the eventuality that a child / class have to work from home, lesson activities will be posted to Seesaw under the "Activities" tab daily. Depending on the activity, the children may be able to complete the activity on Seesaw, or can take a picture of their work and post it for their teacher to approve.
