

Year 2

Mrs Emmerson & Miss Cottam

Learning Launchpad: Spring 2, 2020 - 2021

Welcome back to school/online learning! We hope that you have had a wonderful half term. This half term, we are excited about all the new learning that will be happening in Year 2. It will be another action packed term and we thank you for your continued support, both at home and in school.

Key 'learning and doing'

To engage and motivate our pupils and give a context to learning we theme our learning around books. This half term our key text will be 'The Legend of Spud Murphy' by Eoin Colfer

English:

Using inspiration from the book 'The Legend of Spud Murphy', children will be planning and writing an alternative ending. We will also be writing to inform with our 'Great Fire of London' unit. We will look at the events that unfolded and present these as news reporters.

Maths:

In Maths we will be recognising and using symbols for pounds (£) and pence (p); finding different combinations of coins that equal the same amounts of money; and solving simple problems in a practical context, including giving change. We will also be looking at choosing and using the appropriate standard units of measure.

Other subjects:

In Science, we will be observing and describing how seeds and bulbs grow into mature plants; and finding out and describing how plants need water, light and a suitable temperature to grow and stay healthy. In RE, we will be looking at how we can look after our planet and discussing how we can stay safe in PSHE.
