

**GREAT
HEIGHTS**
ACADEMY TRUST

20th April 2021

Dear Parents/Carers,

I just wanted to take the time to thank you for welcoming me to the school. I now feel I am settled and established in my role and have developed great relationships and links with the children, adults and classes in school. I am currently working with children over both Key Stages covering friendship issues, providing emotional support and helping some children to develop their social skills. My work further supports the PSHCE learning done in class throughout this term.

We have an open-door policy here at Greetland Academy and I am happy to meet with any parents who would like to share any feedback given in the recent parent survey particularly around the issues of friendships and bullying. We value your opinions as parents and recognise the importance of feedback in our continued development as a school. If you would like to have a discussion with me, please email or ring the school office to make an appointment.

In the meantime, we are really happy with how the children have settled back into the routines of school life and we hope they continue to thrive now that they are all back in school.

Many thanks for your continued support

Miss Simpson
