

Learning Launchpad: Summer 2, 2020-21

RECEPTION

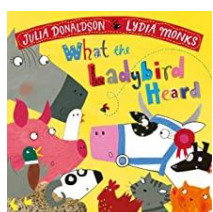

Mrs Ashton
& Miss Austwick

We can't believe we are in the last half term before Year 1!

What a year it has been! We are both super impressed with how far Reception have come on their learning journey. We hope you find this Learning Launchpad useful and informative. As always, we are around at the beginning and the end of the day should you want to discuss anything and keep checking Seesaw for updates & communication/letters.

I can make a difference!

Reception continue our final theme of 'I can make a difference!' This term we will be identifying and discussing the differences that we can make. We will be finding out about how our actions have consequences so we can make conscientious decisions. We will do this by exploring animals, plants, growing, recycling & learning how to look after the environment. These are just some of our key texts for the half term...

English:

This half term we will be consolidating all the sounds we have learnt this year and learning how to apply this to compound words such as *backpack/farmyard* and words with 4 sounds like *help/snap/jump/spin*. We will be applying our knowledge of digraphs to our writing and continuing to practice letter formation. We will be applying our knowledge of reading when we write with increased accuracy and independence. We will consolidate the tricky words: *no / go / I / the / to / into / he / she / we / me / be / was / you / they / all / my / are* and learn the Phase 4 tricky words *said / little / come / when / have / like*.

Maths:

We will be consolidating their understanding of reading, counting, ordering & representing numbers to 20 in a variety of ways and applying this to addition, subtraction and division problems. The children will gain an understanding of money by recognising coins and their values & comparing them. We will develop an understanding of doubling and halving as well as counting to 100.

P.E: PLEASE NOTE RECEPTION PE WILL BE ON FRIDAY

On **FRIDAYS** please send your child to school in their PE kit. They will need to wear their red PE top, red school jumper/cardigan and red shorts. Please dress your child appropriately for the weather; jogging bottoms on colder days and sun cream/hat if it is sunny. Sun cream will need to be applied at home.

If your child is wearing trainers with laces, they must be able to fasten their own laces due to hygiene.

Key dates:

Summer 2 return: Monday 7th June

Reports sent out: Friday 16th July

Break up for Summer: Friday 23rd July

Return in September: Tuesday 7th September
