

# Year 2

Mrs Emmerson & Miss Cottam

## Learning Launchpad: Summer 2, 2020 - 2021

Welcome back to school! We hope that you have had a wonderful half-term break. This half-term, we are excited about all the new learning that will be happening in Year 2. It will be another action-packed half-term and we thank you for your continued support. We will also be saying goodbye to the Year 2's and supporting them through their transition process to KS2.

### Key 'learning and doing'

To engage and motivate our pupils and give a context to learning we theme our learning around books. This half-term our key texts will be 'The Dark' and 'Can I Build Another Me?'

#### English:

Using inspiration from the book 'The Dark', children will be planning and writing a story that creates tension. We will also be writing to inform, using inspiration from the book 'Can I Build Another Me?'

#### Maths:

In Maths, we will be looking at position, direction and statistics. We will also be consolidating previous learning including fractions, money and problem solving.

#### Other subjects:

In Science, we will be 'Little Masterchefs' and think about keeping healthy. In History, we will be looking at whether the Piece Hall has always been the same. In Computing, we will be creating digital images and videos. In D&T, we will be designing and making our own money pouches.
