Re: Personal, Social and Health Education (including RSE)

Tuesday 15th June

Dear Parents/Carers,

Here at The Greetland Academy, our curriculum is designed for all our pupils to flourish and thrive with the opportunities, responsibilities and experiences of life in modern day Britain. Our vision and ethos celebrates all difference and where we promote tolerance, respect and compassion as key British Values. Through our inclusive PSHE education, we teach pupils the knowledge, skills, and attributes they need to keep themselves healthy and safe, to manage their lives, now and in the future.

From September 2019, we were early adopters for the new statutory Relationships, Sex and Health Education Guidance and have successfully implemented age-appropriate teaching across the school with our already embedded PSHE curriculum. The world for all young people looks very different from the way it did 20 years ago when this curriculum was last updated – these changes bring the content into the 21st century, so that it is relevant for your child.

From Week Commencing 21st June, we will have a particular PSHE focus throughout the following two weeks in assembly time and afternoon lessons covering a number of upcoming celebrations day: RSE Day; One Britain, One Nation Day and Picture News Day. Photos of activities will be shared with you via Seesaw.

If you want to see further information, please do look at our [Personal Development overview](#) and [PSHE curriculum section](#) on our website. Here you will find our up to date [RSE policy](#).

Thank you for your continued support.

Kind regards,

Miss Whiteley
Assistant Head for Teaching, Learning and Personal Development
