# Part A: Pupil Premium strategy plan

## Statement of intent

We believe that all children should reach their full potential, whatever their background or circumstances. We want all children to leave the school with the essential knowledge and skills that they need for future success.

Our Pupil Premium strategy is informed by high quality research to ensure we provide the best possible route to improve the educational outcomes of children. This is done through a tiered model with focuses on

- *high quality teaching*
- *targeted academic support*
- *wider strategies*

We firmly believe that good teaching is the most important lever schools have to improve outcomes for disadvantaged pupils. With this in mind, our Pupil Premium Strategy will be rooted strongly in CPD for all our staff. Target support is used to narrow gaps and support children to reach their full potential, this covers both academic and social and emotion support.

These strategies are supported by wider strategies and who school ethos to improve children's wellbeing and build strong cultural capital.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Our assessments, discussions and observations show a gap in some Pupil Premium children's progress and attainment in Writing
2	Our assessments, discussions and observations show a gap in some Pupil Premium children's progress and attainment in Maths
3	Restricted opportunities to develop cultural capital worsened by the impact of Covid.

4	Our analysis shows some disadvantaged Pupils requiring additional social and emotional support so that they develop self-regulation strategies which will support their learning.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Above average outcomes in Year 1 and 2 phonics screening for Pupil Premium Children.	Above national average number (82%) of Pupil Premium children pass the Y1 phonics screening check
<p>Where data evidences there is a gap in Writing between pupil premium and non-pupil premium peers this be reduced by the end of the strategy plan.</p> <p>All children will have a wider range of opportunities and experiences to enable them to access the curriculum with their non-pupil premium peers.</p>	<p>The gap attainment between Pupils Premium and non-Pupil Premium children in KS2 Writing assessment is less than national.</p> <p>Internal tracking and monitoring shows Pupil Premium children progress equal to or greater than their non-pupil Premium peers.</p> <p>Opportunities taken to increase children cultural capital is reflected in their writing</p> <p>External school improvement support verifies these findings in pupils' day to day learning.</p>
<p>Pupil Premium children's progress and attainment in Reading is equal to or greater than their non-pupil Premium peers.</p> <p>All children will have a wider range of opportunities and experiences to enable them to access the curriculum with their non-pupil premium peers.</p>	<p>The gap attainment between Pupils Premium and non-Pupil Premium children in KS2 Reading assessments is less than national.</p> <p>Pupil Premium children progress is equal to or greater than their non-pupil Premium peers.</p> <p>External school improvement support verifies these findings in pupils' day to day learning.</p>

## Part B: Review of outcomes in the previous academic year

### Pupil Premium strategy outcomes

This details the impact that our pupil Premium activity had on pupils in the 2020 to 2021 academic year.

In 2020/21 we continued to use current educational research to shape our Pupil Premium offer in line with EEF findings. We invested funding into further developing teacher pedagogy in line with the EEF Literacy, Numeracy, Behaviour and Pupil Premium report in order to maximise wave 1 teaching. We continued to enhance our nurture support and wellbeing provision, employing a Senior Learning Mentor

Funding was used to enhance the skills of teaching staff and availability of resources, in order to maximise the impact of teaching and learning to ensure Pupil Premium children reach their full potential.

The school continued to support our Pupil Premium families during the lockdown and school closure period in a range of ways with 41% of Pupil Premium children attending in-school key worker/ vulnerable children provision. The online learning platform 'See-saw' was used to provide the children with a range of home learning activities. This was supplemented with paper learning packs for those children and families who are unable or had difficulty accessing digital learning. Participation in home learning was tracked by class teachers and SLT and telephone calls were made to families that did not engage.

Our Pupil Premium book club has been used to foster a love of reading and ensure children have access to high quality texts that match their interest.
