

Learning Launchpad: Summer 2, 2022

YEAR 5 Mrs Walsh & Mr O'Shea

## Welcome back!

What a super half-term we have had! We hope you have a wonderful and well deserved break and we are looking forward to our final half term in Year 5! We can't believe how quickly this year has flown by! This half term, we will be continuing with our adventure trips to the Boiler House and swimming lessons on a Friday. We are also very excited to invite you into school for our first ever Year 5 Showcase Afternoon on Friday 10th June.

**English:** In English, we will be using the book, "Oranges in No Man's Land" to inspire our writing. We will be learning about the features of persuasive writing and applying them to our own letters and speeches.

**Maths:** In Maths, we will be moving on to our geometry unit. We will be looking at different shapes and their properties, as well as learning about angles on a line and angles around a point. We would also like to encourage the children to build on their knowledge of time from the Summer 1 half term and test their understanding whenever they can at home.

**Science:** Amazing Changes - Forces

**Geography:** What is it like to live in a different European country?

**PSHCE:** What jobs would we like?

**RE:** What do Christians believe about the old and new covenants?

**DT:** What could be healthier?

**Computing:** Digital Literacy - Barney and Echo

**PE:** Athletics

**Music:** Paying the Flutes with the Music Trust
