Re: End of School Year

Dear Parents

We have reached the end of what has been a more 'normal' year and I would like to take this opportunity to say thank you to every one of our Greetland family—staff, children, parents, governors, FOGS - for everything you have done this year and the tremendous support you have shown towards the school. We are all immensely proud of the results of our OFSTED inspection this year, which every stakeholder had a part to play in.

We have been able to return to sporting events, shows, after school clubs, trips and best of all- inviting parents back into our building once more.

I would like to wish our Year 6 children all the best for their start at secondary school. Their performance at The Viaduct Theatre last night was simply amazing and they have all worked so hard this year. We will miss them very much but know that they are all destined for great things. We hope to still see them from time to time.

This Year's Seesaw Work:

Great news- you should all be able to download the content of your child's Seesaw before they move up to their next class. Instructions on how to do this can be found at the following link: <https://help.seesaw.me/hc/en-us/articles/208754866-How-families-and-students-can-download-an-archive-of-student-work>

Please do not try to download their work until the Monday of the summer holidays as we will need to archive the classes first. This will then mean that your current class Seesaw will not be accessible over summer and you will receive a new code for your child's new class in September. If you struggle, do not worry as we will always have a copy of your child's complete journey throughout their time at our school.

All that is left to say is that I hope you all have a lovely summer and we cannot wait to see you all again on the 6th September (Monday 5th is a training day).

Have a wonderful summer break.

Mrs Crowther
