

# Learning Launchpad: Autumn 1, 2022

## YEAR 6 Mr Price & Miss Wild

### Welcome back!

Welcome back to the new school year. We hope you have had a lovely summer and are just as excited as us for the year ahead! The children's last year in primary school will be full of inspiring opportunities, starting, of course, with our Edale residential trip. Here the children will bond, face challenges and come away with lasting memories. Back in school, the children will continue to build on their skills, knowledge and experiences from Year 5

### English:

'The Arrival' by Shaun Tan

- Writing to Provoke an Emotional Response: A diary in role as a character in our text.
- Writing to Inform: A Companion Creature information text.
- Writing to Persuade: A speech to convince others to visit 'The Promised Land'.

### Maths:

- read, write, order and compare numbers up to 10,000,000 and determine the value of each digit
- round any whole number to a required degree of accuracy.
- use negative numbers in context, and calculate intervals across zero.
- solve number and practical problems that involve ordering and comparing numbers to 10,000,000 - rounding to a required degree of accuracy
- Using negative numbers and calculating intervals across zero.

We will also revisit the formal written methods for Addition, Subtraction, Multiplication & Division
