## Year 4 Greetland's Got Talent

Dear Parents and Carers,

We are excited to announce the children in Year 4 will be presenting 'Greetland's Got Talent' on Tuesday 21<sup>st</sup> March. There will be two performances; 2:00pm and 6.00pm in the gym at KS2.

We are restricted in seating numbers and so, in the first instance, TWO tickets per child will be available. Please note – all young children must have a separate seat – they may not sit on knees due to fire regulations. The two tickets can be used as follows; both tickets for the afternoon performance OR both tickets for the evening performance OR one ticket for the afternoon & one for the evening. Sorry if this causes any inconvenience.

Tickets can be booked on Arbor in the 'School Shop' section from Monday 13<sup>th</sup> March.

We ask that no videos or photographs are taken during the performances, as this can distract the children. Parents can take photos at the end of the performances. As per our e-safety policy these should: primarily be of your own child/children; be for personal/close family use only; and not be published online.

On Tuesday 21<sup>st</sup> we ask children are brought back to school for 5:45pm. To start the performance at 6pm.

Thank you for your co-operation.

Yours sincerely,

The Year 4 team
