

Learning Launchpad: Summer 1, 2022-2023

YEAR 1 Miss Gledhill & Mrs Figura

Welcome back! The summer term is finally here. This term, we will be very busy bees planting in our Year One garden and extending our learning even further to get ready for Year 2! We have lots of exciting and ambitious learning planned.

Phonics:

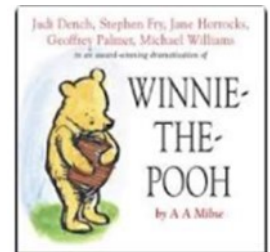

The Children now understand that there are graphemes that can have different sounds and sounds that can be made with different letters. We will now work on the consolidation of these sounds. Additionally, we will focus on the sounds (see below) which will be appearing in the Phonics screening test at the beginning of June.

Week 1	ay play a-e shake ea each e he
Week 2	ie pie i-e time o go o-e home
Week 3	ue blue rescue ew chew new u-e rude cute aw claw
Week 4	ea head ir bird ou cloud oy toy
Week 5	i tiger a paper ow snow u unicorn
Week 6	ph phone wh wheel ie shield g giant

Maths:

This half term will be securing the children's knowledge in place value to 50 making sure that they can count, read and write numbers to 50, identify one more and one less than a number to 50 and count in multiples of 2s and 5s. We will be comparing, describing and solving practical problems for length, height, weight and volume as well as measuring and recording using these units of measure.

English: Our focus book will be Winnie The Pooh, we will use this traditional classic tale to inspire our writing. We will be writing to entertain; through predicting, story mapping, describing settings and characters. The emphasis once more will be to build on the basic skills of capital letters, full stops and finger spaces. As well as applying all the alternative sounds and correctly spelling tricky words and using 'and' and 'because' as a coordinating conjunction.
