

Learning Launchpad: Summer 2, 2022-

YEAR 1 Miss Gledhill & Mrs Figura

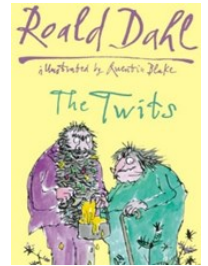

Welcome back! Welcome back, we hope that you have had a fantastic half term and you are all ready for your final half term in Year 1. It will be another action-packed half-term and we thank you for your continued support.

Phonics:

For the final half term we will continue to learn that graphemes can make different sounds and that sounds can be made with different letters. Below are the graphemes we will be learning this half term. We will also be consolidating what we have already learnt ready for the phonics screening check in the second week back.

Phase 5 graphemes	
Week 1	/ai/ eigh aigh ey ea eight straight grey break /n/ kn gn knee gnaw /m/ mb thumb /ear/ ere eer here deer
Week 2	/zh/ su si treasure vision /lj/ dge bridge /l/ y crystal /lj/ ge large
Week 3	/sh/ ti ssi si ci potion mission mansion delicious
Week 4	/or/ augh our oar ore daughter pour oar more review
Week 5	review

English: In English we will be focusing on Roald Dahl's 'The Twits.' We will be writing to entertain. We will be concentrating on making our writing interesting for the reader by including extended noun phrases to add detail. We will also be writing for different purposes including writing to inform. Where the children will write instructions of how to complete a trick, using the correct layout and bullet points.

Key Dates

- Return to school: Monday 5th June
- Year 1 phonics screening week : 12th—16th June
- Diversity week : 26th—30th June
- West Yorkshire Fire Service visit KS1: Monday 3rd July
- Sports day: Thursday 6th July
- Transition day : Friday 7th July
- Break up for Summer : Friday 21st July
- Reminders:**
- PE days: Tuesday and Thursday
- Reading book and Library book change day: Friday

Maths:

This half term we will be describing position, direction and movement. We will finish our place value topic by learning how to count, read and write numbers to 100, identify and represent numbers using objects, pictorial representations and a number line and to identify one more and one less than a given number. We will be learning how to recognise and know the value of coins and notes and learning about time.

Science: STEM topic all about holidays

History: Who was Mary Anning and why was she remembered?

PSHCE: How can we look after each other and the world?

RE: Who brought messages about God and what did they say?

PE: Athletics

Music: Your imagination

DT: Structures (windmills)
