

Learning Launchpad: Summer 2, 2023

YEAR 5 Miss Hanson & Mr O'Shea

Welcome back!

What a super half-term we have had! We hope you have a wonderful and well deserved break and we are looking forward to our final half term in Year 5! We can't believe how quickly this year has flown by! This half term, we will be continuing with our adventure trips to the Boiler House and swimming lessons on a Friday. We are also very excited to invite you into school for our Year 5 Showcase Afternoon on Friday 9th June.

English: In English, we will be focusing our learning around the book 'Alice in Wonderland' by Lewis Carroll. We will be writing to provoke an emotional response. We will be writing setting descriptions and focusing on the atmosphere within our writing. We will use a range of tenses to indicate changes in timing and sequence.

Maths: In Maths, we will be moving on to our geometry unit. We will be looking at different shapes and their properties, as well as learning about angles on a line and angles around a point, as well as the position and direction of shapes following a reflection or translation. We will then move on to statistics where we will focus on solving comparison, sum and difference problems using information on graphs and we will interpret information in tables and timetables.

Science: Amazing Changes - Forces

Geography: What is it like to live in a different European country?

PSHCE: What jobs would we like?

DT: What could be healthier?

Computing: Computing Systems and Networks

PE: Athletics - Sports Day practice

Music: Playing the Flutes with the Music Trust

French: Going to the Seaside

Art: Sculpture and 3D
