

Learning Launchpad: Summer 2, 2024

Reception: Mrs Khan, Mrs Rylands and Mrs Ashton

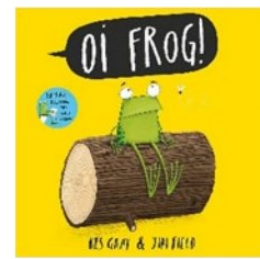

We can't believe we are in the last half term before Year 1! What a year it has been! We are all super impressed with how far Reception have come on their learning journey. This half term is a busy one; we have the farm trip, the Reception showcase, sports day, transition day, reports and so much more!

I Can Make A Difference!

Reception continues our final theme of 'I can make a difference!' This term we will be identifying and discussing the differences that we can make. We will be finding out about how our actions have consequences so we can make conscientious decisions. We will do this by exploring animals, plants, growing, recycling & learning how to look after the environment.

These are just some of our key texts for the half term...

English: Children will continue to apply their knowledge of Little Wandle Letters and Sounds with increasing accuracy and independence. We will be applying our knowledge of digraphs to our writing and continuing to practice letter formation. We will review all tricky words. We will be reading longer words ending in -s/ss/, -s/ z/, -es. We will also be learning to read root words ending in -ing, -ed, /id/, /ed/, -ed/d and root words ending in -er, -est.

Maths: We will continue to explore numbers up to 20. We will continue to solve simple practical addition and subtraction problems and begin to divide amounts equally. We will continue to develop our understanding of vocabulary and language linked to maths.

P.E: Please send your child to school in their PE kit on **THURSDAYS**. Please ensure that kit is in line with our uniform policy that can be found on our website.
