

Learning Launchpad: Summer 2, 2023-2024

YEAR 1 Miss Gledhill & Mrs Figura

Welcome back! Welcome back, we hope that you have had a fantastic half term and you are all ready for your final half term in Year 1. It will be another action-packed half-term and we thank you for your continued support.

Phonics:

On the second week back, the national phonics screening check will take place. For the following weeks after this, we will continue to learn that graphemes can make different sounds and that sounds can be made with different letters. We will also be consolidating what we have already learnt ready for the phonics screening check in the second week back.

English:

We will be using the book 'Billy and the Beast' as our English focus. We will continue to work on our story telling skills and reinventing the characters in this book. Throughout the text we will be focusing on key vocabulary and the children will be encouraged to use these words in their own stories. We will also be focusing on writing phase 5 sounds and widening the children's punctuation.

Maths:

This half term we will be describing position, direction and movement. We will finish our place value topic by learning how to count, read and write numbers to 100, identify and represent numbers using objects, pictorial representations and a number line and to identify one more and one less than a given number. We will be learning how to recognise and know the value of coins and notes and learning about time.

Science: STEM topic all about holidays

History: Who was Mary Anning and why was she remembered?

PSHCE: How can we look after each other and the world?

RE: Who brought messages about God and what did they say?

PE: Athletics

Music: Your imagination

DT: Structures (windmills)

Reminders:

PE days: Tuesday and Friday

Reading book and Library book change day:
Friday
